

Inspiration Station: GCPL Maker Space

Acceptable Materials List

Bring in your own materials to use the Inspiration Station. The following materials are possible to use with the machines available. Always get extra material in case of mistakes or bring in test material. Machines not listed use material provided by Geauga County Public Library for a small fee.

Cricut Explore Air 2

All materials must be 12 x 12 inches or able to cut down to that size.

Bonded Fabric	Paper
Cardstock (light or heavy)	Poster Board
Iron-on Vinyl	Vinyl

Embroidery Machine

Use stabilizer for all embroidery projects.

Baseball cap	Polyester
Canvas	Satin
Corduroy	Silk
Cotton	Sweater knit
Denim	Sweatshirt
Fleece	Terry Cloth
Linen	T-Shirt

Laser Engraver

All materials must be 12 x 24 inches or smaller. Cylindrical objects like drinkware in the following materials can be engraved.

Acrylic	Leather
