▼ Description

Abandoned in a library book drop slot in the dead of winter, this remarkable kitten miraculously endured the coldest night of the year. When librarian Vicki Myron found him in the morning, she wrapped him in her arms, nurtured him back to health, and introduced him to his new home - the library. Helping Myron through a difficult time, and inspiring the struggling town of Spencer, Iowa, Dewey gained worldwide fame as a symbol of hope, warming the hearts of all with his tail...or rather, his tale. This middle-grade adaptation of the Grand Central bestseller Dewey features an 8-page photo insert, including exclusive, never-before-seen photos of the Dewey.
