

Geauga County Public Library's Maker Space

Bainbridge Inspiration Station

17222 Snyder Rd.
Chagrin Falls, OH 44023

Independently explore your creativity! We'll get you started with the basics.
The Maker Space is a self-service resource where you can use equipment to explore, design, and create.

Available Equipment		
Cricut Maker 3* & Cricut Mug Press*	Heat Press*	Sewing Machines
Direct to Garment Printer*	Large Format Printer*	Vinyl Cutter*
Embroidery Machine*	Laser Engraver*	3D Printing**

***Must take mandatory training before using these machines.**

****3D printers can only be operated by library staff and volunteers. Requests must be submitted as a .STL, .OBJ, or a .3MF file and cannot take longer than 3 hours or be larger than 8"x8"x10" in size.**

Software Available

A laptop is provided to you when using any maker space equipment to access machine-specific software. The laptops also have the full **Adobe Creative Cloud** for design. Explore Photoshop, Illustrator, InDesign and more!

Mandatory Training

Training is mandatory to use the available Maker Space equipment listed above. **All patrons must sign the User Agreement** at the end of each training session and have a Geauga County Public Library or Clevnet Library card (cannot be temporary, virtual, or e-card). Training is scheduled at least once a month and you can choose which session fits your schedule and interests. Patrons must complete training before they can book a machine for each specific machine cannot book a machine until they have taken the training for that machine. Patrons **under 15** must have a guardian with them to use the laser engravers. Patrons **under 12** must have a guardian with them to use all other machines.

for training

Plan your Visit

- Schedule a reservation with the equipment by calling or talking in-person to Geauga County Public Library Reference Staff or going online at geaugalibrary.net/maker-space.
- **Bring a USB Drive** for saving and transferring your designs.
- Library staff will not create or edit designs for you. Please bring in your own machine compatible designs.
- Patrons are expected to create their own free Cricut Design Space account for using the Cricut Makers.

Troubleshooting

The GCPL Maker Space is self-service. Bainbridge Reference Staff will check to make sure the machine is working properly and help identify simple troubleshooting issues only. They will contact IT for repairs and maintenance.

Reservations

Reservations are held until 20 minutes past start time. Your reservation is for one machine only. If you want to use more than one machine, reserve them one after the other. Let staff know if you want to switch to another machine during your visit. Always check in and out with Bainbridge Reference Staff.

Maker Space Hours

Bainbridge Maker Space

Sunday	CLOSED
Monday	9:00am – 8:00pm
Tuesday	9:00am – 8:00pm
Wednesday	9:00am – 8:00pm

Materials Price List

A job form must be filled out when using materials provided by the library. A more comprehensive list is available at each maker space location. \$1.00 minimum for all costs.

3D Printing	\$0.10 per gram
Embroidery Thread	\$0.10 per 1,000 stitches
Direct to Garment Printing	\$1.00 per print
Heat Transfer Vinyl	
<i>Large Format Printer & Vinyl Cutter</i>	\$0.50 per linear inch
Large Format Printing	
<i>Banners, Posters, Photographs, & Stickers</i>	\$0.35-\$0.45 per linear inch

No extra cost for: Cricut Maker, Cricut Mug Press, Heat Press, Laser Engraver, and Sewing Machines because you bring in your own materials to use. Vinyl Cutter can be free to use if you bring in your own vinyl.
