

**Geauga County Public Library
Operating Policy Manual**

SECTION: DISTRIBUTION AND DISPLAY OF CAMPAIGN LITERATURE
NUMBER: 960
EFFECTIVE DATE: APRIL 19, 2022

To aid voters in becoming better informed about ballot issues and candidates, the library may display and distribute literature representing all points of view. In the 45 days prior to an election, the library will display and distribute voter information and campaign literature for issues and candidates appearing on local ballots. The library assumes no responsibility for contacting individuals or committees if appropriate campaign literature is not received by the library. The Branch Manager of the library will determine how and where such literature is displayed or distributed.

Flyers and brochures may not exceed 8.5"x11" in size and in quantity may not exceed 50 items per delivery. Campaign material that is not literature (including, but not limited to, bumper stickers, yard signs, and campaign buttons) will not be considered for display or distribution. Library staff will remove and discard all campaign materials from display or distribution on the day after the election.
